CONSULTATION RECORD SUPPORT SHEET

Personal Preparations, Interpretation Method Used and Outcome (please use more paper if necessary)

How did you prepare for this consultation?

What technique did you use to remain focused and centred? How well did it work? Would you use it again or what would you try next time?

What skills did you use to encourage your client to speak more than 50% of the time? How well did those skills work for you?

What aspects of the bottle messages did you focus on? i.e. colour, flow of colour, change from bottle to bottle, numerology etc?

What was the outcome? Did the client go away with something useful? Please describe

As a conclusion how did the client summarise what had been shared about each bottle? What did the client say in conclusion about each bottle? Please include their summary for each bottle on side 1 - use more paper if necessary

What skills did you focus on from the consultation skills graph? What skills will you focus on for the next consultation? Which bottle interpretation method might you use next time?

Giving a Consultation is a wonderful opportunity for our own personal growth. What personal insights have you gained for yourself from this consultation?
